

TO: MR Mandla Sithola (Executive Director)
FROM: MR JOHN SELOANA (CC)

I'm John Seloana, the son of the soil of Katlhong. And the luck one to be appointed by Tedcor as their sub-contractor.

From dawn to ~~sunrise~~^{dusk}, I'm proud to announce that my eyes today can see the light. I'm proud to say the empowerment I receive, I will name my own company after this, and employs double the amount of employ I got now.

Mr executive Director, and your ~~co-workers~~ co-workers, you know how was the situation at Katlhong, littering all over illegal dumpings were the flowers of the day, but today you're proud to invite the president of the country to visit Katlhong. Even the community is gonna benefit from what we saw. And even after this ~~we~~ we must double our effort to make Katlhong the best Township around.

Thank you. everybody.
